Sabrina Seibel

(770) 377-8650 | 221 16th Street NW Unit 6 Atlanta, GA 30363 | seibelsabrina@gatech.edu

EDUCATION

Atlanta, Georgia

GEORGIA INSTITUTE OF TECHNOLOGY

GPA: 3.65

Bachelor of Science in Computer Science

Major GPA: 3.85

August 2016 – May 2021

HOPE Scholarship, Zell Miller Scholarship

Languages: Java, Python, C, Assembly, JavaScript

Coursework: Data Structures, Algorithms, Compilers and Interpreters, Artificial Intelligence, Computer

Organization, System Architecture, Discrete Math, Combinatorics, Computer Vision

EXPERIENCE

GOOGLE SOFTWARE ENGINEERING INTERN

Summer 2019

San Francisco, California

- Worked on Core Developer Android Infrastructure Team
- Optimized Java protocol buffer runtime on Android through compiler optimizations
- Created tool to analyze source code to decrease APK size for Google applications

GOOGLE SOFTWARE ENGINEERING INTERN

Summer 2018

Sunnyvale, California

- Enhanced Java Compiler static analysis tool used to eliminate bugs throughout Google's codebase
- Created checks that fixed Java files and now run with every Java compile at Google
- Contributed to a Build Diagnostics tool designed to increase developer efficiency

GOOGLE CODEU

Summer 2017

Mountain View, California

- Worked with group of peers to design and build a messaging application over a 12-week program
- Implemented persistent storage feature to save current server state

PROJECTS AND ACTIVITIES

GEORGIA TECH WOMEN'S SOCCER

Spring 2018 - Present

Participant on competitive team that practices 4x a week and plays colleges throughout the Southeast

CENTER FOR DISEASE CONTROL AND PREVENTION (CDC)

January 2019 - Present

- Developing a hybrid mobile application that allows people to track and manage their sodium intake
- Using database architecture, natural language processing, and web scraping to parse recipes off of websites, analyzes the contents, and suggests alternative ingredients

SISTERS RISE UP PROGRAM

May 2016 - Present

- Assisting in coordinating program to increase the number of females majoring in computing fields
- Facilitating biweekly webinars tutoring high school girls taking AP Computer Science
- Georgia AP Computer Science exam female pass rate has doubled since program inception

JAVA E-BOOK

May 2016 - Spring 2018

- Researched and authored instructional pages for e-book that receives 20,000 views daily
- Developed supplemental CS training material used by students and faculty worldwide
